

## Splash and Dash's September Newsletter.....

*Hello to all our families,*

whether you are just joining us or returning after the Summer break, we welcome you all to the Autumn Term at Splash and Dash ! We trust that the Summer holidays were kind to you and everyone managed to enjoy a little bit of sunshine here and there as well as some well-deserved rest and recharging of batteries !

Our staff team are raring to go - *Chanell, Emma, Annie, Tracy and myself* are excited about looking after your child and nurturing them along their educational path.

We start the new academic year with a busy time planned for your child's enjoyment and educational development. Please remember that our planning is always on view on the main board inside the hall. Please take the time to have a look at what is going on this half term and on a weekly basis. It is important to your child's development that you are aware and can support their learning about topics that they cover at pre-school.

For your information, this September sees the new **Early Years Foundation Stage** framework commence. Splash and Dash are fully committed to the **EYFS** and we are happy to share any information with you regarding your child's progress.

Our new website is proving a great source of general information sharing and we would like to have your feedback on how you think it is looking. The dates for the following year are now available to view along with lots of other information.

As some of our children have moved onto nursery and reception, we have some committee posts coming vacant. We welcome and thank **Lisa Karter** (Luke's mum) for becoming our new Chair. Please ask Lisa or myself if you would like to be more involved. It is essential that posts are filled for our group to continue to run efficiently. Committee roles are not daunting. We plan to have social gatherings to make volunteering fun as well as enabling you to be part of the important support network at your child's pre-school.

**We trust your child will enjoy what this half term has to offer and can't wait to get started !**

***Thank you, Jackie and the Team***
